MEMO ENDORSED

Re: United States v. Renwick Haddow, 19 Cr. 340 (LTS)

Dear Judge Swain:

The Government respectfully writes on behalf of the parties to request that a sentencing date be scheduled for defendant Renwick Haddow for the week of April 21 or April 28, 2025, and that a presentence investigation report be ordered. Since the date of the last adjournment, both co-conspirators charged under the docket *United States v. Robinson, et al*, 21 Cr. 344 (LAK) (S.D.N.Y.) have been convicted and sentenced. Accordingly, the defendant's sentencing can be scheduled, with sufficient time to facilitate the defendant's ongoing cooperation in the Government's efforts to forfeit and recover assets in foreign jurisdictions.

The Government requests continued permission for the law firm of Hughes Hubbard & Reed LLP (the "Firm") to retain the defendant's passport, for the sole purpose of facilitating the defendant's execution and notarization of documents related to the disposition of property interests abroad—and not for any travel—until such time that the Government advises that this identity document can be returned to Pretrial Services. All other bail conditions, including electronic monitoring of the defendant, would remain unchanged.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney

SO ORDERED.
